Joe and Susan Coulter Donate \$1,000,000 to The Darrell Gwynn Chapter of The Buoniconti Fund to Cure Paralysis

June 15, 2019 – BRISTOL, TN – Joe and Susan Coulter of the **Joseph R. Coulter III Foundation**, friends of NHRA Drag Racing Hall of Famer **Darrell Gwynn**, have donated one million dollars to The Darrell Gwynn Quality of Life Chapter of The Buoniconti Fund to Cure Paralysis today during the NHRA Thunder Valley Nationals at Bristol Dragway. This gift will help the Darrell Gwynn Chapter in its mission of supporting cutting edge spinal cord injury research at The Miami Project to Cure Paralysis and paralysis quality of life initiatives.

“Darrell and his family have been friends of ours for a long time and they have helped our son as he was embarking on his own racing career. When he asked for our help, Susan and I were happy to lend our support. We hope this donation will help him in his quest to make life better for those living with paralysis,” said Joe Coulter.

“Joe and Susan have been dear friends. They have been extremely philanthropic toward many worthwhile causes over the years. Their support of the Darrell Gwynn Chapter will help us continue to fund some of the most promising research in the field and allow us to assist people living with paralysis get new wheelchairs so they can regain mobility and stay active,” said Darrell Gwynn, director of the Chapter.

The gift from the Joseph R. Coulter III Foundation will specifically help fund the cost of some of the current spinal cord injury clinical trials at University of Miami’s Miami Project, as well as the wheelchair donation program run through the Darrell Gwynn Chapter. The Chapter’s wheelchair donation program has been a mainstay of the Chapter’s Hot Rods & Reels Charity Fishing Tournament for more than a decade. The Coulter family, through their Miami Springs based foundations, have supported causes throughout the years including the University of Miami Miller School of Medicine’s Mobile Pediatric Clinic and the University of Miami /Jackson Memorial Hospital Hematology Lab.
